CONFERENCE OVERVIEW & GOALS:

The purpose of the Q&A web-teleconference is to provide our hospice partners an opportunity to ask questions and/or obtain clarification regarding the new MUGs 10th edition.

This may include, but is not limited to the MUGs training content and/or the MUGs 10th edition.

The Q&A session will be facilitated by members of the MUGs Development Committee who will conduct the conference in an operator-assisted, interactive format with an open discussion and utilization of chatting and polling features of the web portion to communicate with the hosts and/or other participants!

TARGET AUDIENCE:

This program was developed for hospice partners with Hospice Pharmacia.
